KCMC UNIVERSITY STUDENTS SELECTED FOR THE MILLENNIUM FELLOWSHIP CLASS OF 2026

The United Nations Academic Impact (UNAI) and the Millennium Campus Network (MCN) present the Millennium Fellowship, a semester long programme that convenes, challenges and celebrates students' leadership advancing the Sustainable Development Goals (SDGs). This year, more than 76,000 student leaders from over 6,000 campuses across 174 nations applied to join the program and only 330+ campuses in 60 countries were selected to host the 5,500+ Millennium Fellows of the Class of 2026.

KCMC University is honoured to be counted among this select group of host institutions and we warmly congratulate the following students (*see Table 1*), now recognized as Millennium Fellows for their outstanding achievement:
